

SUNSPACE

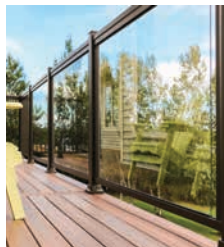

**RAILING
ALUMINIUM & GLASS**

PICKET RAILING

Style, safety and flexible designs are the cornerstones of our Sunspace Aluminum Railing Systems and fences. With a variety of colors to choose from you have the versatility to color match your new Sunroom or the existing exterior of your home, cottage or business.

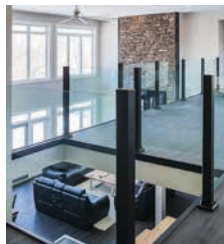

Sunspace offers a great selection of handrail and picket and belly picket designs with unlimited options for customization. Our virtually maintenance free Railing Systems & Fencing Systems are code compliant and suitable for residential or commercial use.

GLASS RAILING

Sunspace Sunrooms Glass Railings are the premier Railing System on the market! Virtually maintenance free, Sunspace Traditional Glass Railings are available in a variety of styles and colors and are custom built to match your home, cottage, commercial location, Deck and Sunroom Additions.

With aluminum pickets and 5mm Tempered Safety Glass, your Sunspace Traditional Glass Railings provide safety, elegance and an unobstructed view. Suitable for indoor or outdoor use and on stairs.

TOPLESS GLASS RAILING

Preserve your views with the premier Glass Railing System on the market! Sunspace Sunrooms is a company dedicated to offering consumers low-maintenance solutions to any railing application; stylish, safe and virtually maintenance free, Sunspace Contemporary (Topless) Glass Railings are available with a variety of options, colors and are custom built to suit your home, cottage, commercial location, Deck or Sunroom Addition.

With 10mm Tempered Safety Glass suitable for use indoors and out, these railings provide you with safety, elegance and a completely unobstructed view.

PRIVACY SCREEN & WIND BREAK

Your outdoor space is the place where you come to relax. With privacy screens & windbreaks, your oasis becomes your own private area, away from the neighbours or the passersby. Choose from many different materials and styles to secure your privacy. An outdoor oasis is your sanctuary, ensure a higher level of comfort with stylish architecture for your privacy and enjoyment.

Our privacy walls and windbreaks do not darken, but the opposite, they brighten the area and are maintenance free for years to come.

ALUMINUM & GLASS RAILING SYSTEM

Sunspace Aluminum & Glass Railing Systems are the premier railing products on the market. Choose from a glass rail configuration or from a variety of elegant picket designs. Available in five colors, Sunspace will have a style that will best suit your home, cottage or commercial application, while providing you with safety and a low-maintenance railing solution for years to come. All Sunspace Railing Systems are custom designed and made to your specifications.
